NICOLE LIGGERI

CHIARA PARRAVICINI

Digital Heritage and Multimedia, AY 2022-2023

DIGITAL CARDS

IMPLEMENTATION:

01

HTML/CSS

02

JAVASCRIPT

FEATURES:

01

REPEATABLE TEMPLATE

02

EXTENSIBLE

03

USER FRIENDLY

THEMATIC ROUTES

Digital cards
combined through
a narrative
in order to create
an **educational**
route

Curated by the
members of the
staff and the
researchers
working with
Capellini Museum

Suitable for users
with **different**
backgrounds and
previous knowledge

BENEFITS

Objective n° 1

Making Capellini Museum a stronger and recognized **educational institution**

Objective n° 4

Compensating the lack of staff members

Objective n° 2

Making the Museum **accessible** for visitors with time limitations or physical constraints

Objective n° 5

Creating a more **modern**, more complete and modular **interface**

Objective n° 3

Regaining the possibility for the user to **explore the Museum meaningfully**

Objective n° 6

Starting the process of **digitalization of the archive**

TWINE SCENARIO

Capellini in your pocket:

An enhanced experience for Capellini
Museum

FURTHER DEVELOPMENTS

01

Creating a
useful **tool for**
consulting papers
and research
related to the items

02

Creating a
digital archive
for Capellini
Museum
